Acer America Corporation et al.,  
Plaintiffs,  
v.

~~[PROPOSED]~~ REQUEST FOR  
INTERNATIONAL JUDICIAL  
ASSISTANCE (LETTER  
ROGATORY) SAMSUNG  
ELECTRONICS TAIWAN CO., LTD.

Hitachi, Ltd. et al.

The Hon. Susan Illston

Defendants.

The United States District Court for the Northern District of California, the Honorable Susan Illston, Senior District Judge, presents its compliments to the Appropriate Judicial Authority of Taiwan, and requests international judicial assistance to obtain evidence to be used in a civil proceeding before this Court in the above captioned matter.

## **I. REQUEST**

The Court requests the assistance described herein as necessary in the interest of justice. The assistance requested is that the Appropriate Judicial Authority of Taiwan compel depositions and production of documents from the following corporate entity:

**Samsung Electronics Taiwan Co., Ltd.  
10th Floor No. 399 Rui Guang Road  
Nei Hu District Taipei, Taiwan**

The Court requests Samsung Electronics Taiwan Co., Ltd. (“Samsung”) to produce the documents and things as set out in Attachment A of this Request, and to produce a witness for the deposition topics as set out in Attachment A of this Request. The Court understands the confidential nature of the documents and testimony requested from Samsung. As such, attached as Attachment B is the protective order in this case to protect the confidentiality of the documents and testimony Samsung produces.

## **II. FACTUAL ALLEGATIONS**

Acer America Corporation (“Acer America”), Gateway, Inc. (“Gateway”), and Gateway U.S. Retail, Inc., f/k/a eMachines, Inc. (“Gateway U.S. Retail”) (collectively, “Acer”) filed suit against NEC Corporation; NEC Corporation of America; NEC Display Solutions of America, Inc.; NEC LCD Technologies, Ltd.; Toshiba Corporation; Toshiba Matsushita Display Technology Co., Ltd.; Toshiba America Electronic Components, Inc.; Toshiba America Information Systems, Inc.; LG Display Co., Ltd.; and LG Display America, Inc. (collectively, “Defendants”) to recover damages from Defendants. Acer alleges that its injury was caused by Defendants’ and their alleged co-conspirators’ allegedly long-running, unlawful conspiracy to fix, raise, stabilize, and maintain prices

1 for LCD panels and finished LCD products (hereinafter “LCD products”). Acer alleges that  
2 Defendants’ and their alleged co-conspirators’ alleged conspiracy extended from at least January 1,  
3 1996 through at least December 11, 2006 (the “Relevant Period”). Acer alleges that it suffered  
4 damages from Defendants’ and their alleged co-conspirators’ alleged conspiracy by purchasing  
5 Defendants’ and their alleged co-conspirators’ LCD panels and LCD products at noncompetitive  
6 prices set by Defendants and their alleged co-conspirators through their alleged conspiracy.

7 Acer’s investigation indicates that Samsung is a company from which Acer may have  
8 purchased LCD panels and LCD products during the Relevant Period, either directly or through  
9 Acer’s Original Design Manufacturers (“ODMs”). Thus, it appears that Samsung possesses  
10 information of relevance to this litigation, including: (1) the quantity of LCD panels and LCD  
11 products that Samsung sold to Acer; (2) the prices of these sales; (3) the revenue generated from  
12 these sales; (4) the costs Samsung incurred in connection with the manufacture and sale of LCD  
13 panels and LCD products to Acer or to Acer’s ODMs; and (5) the names of the companies that  
14 supplied the LCD panels and LCD products to Samsung for sale to Acer.

15  
16 **III. EVIDENCE**

17 The documents to be produced are identified in Attachment A. The deposition topics are also  
18 listed in Attachment A. Identified as Attachment B, the Court’s protective order in this case protects  
19 the confidentiality of any documents and testimony Samsung produces.

20  
21 **IV. OFFER OF RECIPROCAL ASSISTANCE**

22 The United States District Court of the Northern District of California is willing to provide  
23 similar assistance to the Judicial Authorities of Taiwan. See 28 U.S.C. § 1782.

24 ///

1 **V. REIMBURSEMENT FOR COSTS**

2 Should there be any costs associated with the service herein, it will be the responsibility of  
3 the attorneys for Acer to reimburse the Appropriate Judicial Authority of Taiwan concerning the  
4 same. Please direct any correspondence or communications concerning costs to the following:

9     that it is withdrawing or changing the mistaken designation.

10                  **5.2     Manner and Timing of Designations.** Except as otherwise provided in  
11     this Order (*see, e.g.*, section 5.2(b), below), or as otherwise stipulated or ordered, material  
12     that qualifies for protection under this Order must be clearly so designated before the material  
13     is disclosed or produced. Notwithstanding the preceding sentence, should a Producing Party  
14     discover that it produced material that was not designated as Protected Material or that it  
15     produced material that was designated as Protected Material but had designated that Protected  
16     Material in the incorrect category of Protected Material, the Producing Party may notify all  
17     Parties, in writing, of the error and identifying (by bates number or other individually  
18     identifiable information) the affected documents and their new designation or re-designation.  
19     Thereafter, the material so designated or re-designated will be treated as Protected Material.  
20     Promptly after providing such notice, the Producing Party shall provide re-labeled copies of  
21     the material to each Receiving Party reflecting the change in designation. The Receiving Party  
22     will replace the incorrectly designated material with the newly designated materials and will  
23     destroy the incorrectly designated materials.

24                  Designation in conformity with this Order requires:

25                  (a)     for information in documentary form (apart from transcripts of  
26                           depositions or other pretrial or trial proceedings), that the Producing Party affix the  
27                           legend "CONFIDENTIAL" or "HIGHLY CONFIDENTIAL" on each page that  
28                           contains protected material.

(b) for testimony given in deposition, that a Party, or a non-party that sponsors, offers, gives, or elicits the testimony, designate any portion of the testimony as "CONFIDENTIAL" or "HIGHLY CONFIDENTIAL," either on the record before the deposition is concluded, or in writing on or before the later of (i) fourteen days after the final transcript is received or (ii) the date by which any review by the witness and corrections to the transcript are to be completed under Fed. R. Civ. P. 30(e). Only those portions of the testimony that are designated for protection in accordance with the preceding sentence shall be covered by the provisions of this Stipulated Protective Order. The entire testimony shall be deemed to have been designated Highly Confidential until the time within which the transcript may be designated has elapsed. If testimony is not designated within the prescribed time period, then such testimony shall not be deemed Confidential or Highly Confidential except as ordered by the Court.

Transcript pages containing Protected Material must be separately bound by the court reporter, who must affix to each such page the legend "CONFIDENTIAL" or "HIGHLY CONFIDENTIAL," as instructed by the Party or nonparty sponsoring, offering, giving or eliciting the witness' testimony.

(c) for information produced in electronic or video format, and for any other tangible items, that the Producing Party affix in a prominent place on the exterior of the container or containers in which the information or item is stored the legend "CONFIDENTIAL" or "HIGHLY CONFIDENTIAL."

5.3 Inadvertent Failures to Designate. If corrected, an inadvertent failure to designate qualified information or items as "Confidential" or "Highly Confidential" does not, standing alone, waive the Designating Party's right to secure protection under this Order for such material. If material is re-designated as "Confidential" or "Highly Confidential" after the material was initially produced, the Receiving Party, upon notification of the designation, must make reasonable efforts to assure that the material is treated in accordance with the provisions of this Order.

1                   5.4     Increasing the Designation of Information or Items Produced by Other  
2 Parties or Non-Parties. Subject to the standards of paragraph 5.1, a Party may increase the  
3 designation (*i.e.*, change any Disclosure or Discovery Material produced without a designation  
4 to a designation of "CONFIDENTIAL" or "HIGHLY CONFIDENTIAL" or designate any  
5 Disclosure or Discovery Material produced as "CONFIDENTIAL" to a designation of  
6 "HIGHLY CONFIDENTIAL") of any Discovery Material produced by any other Party or  
7 non-Party, provided that said Discovery Material contains the upward Designating Party's own  
8 Confidential or Highly Confidential Information. Any such increase in the designation of a  
9 document shall be made within 90 days of the date of its production, unless good cause is  
10 shown for a later increase in the designation.

11                   Increasing a designation shall be accomplished by providing written notice to all  
12 Parties identifying (by bates number or other individually identifiable information) the  
13 Disclosure or Discovery Material whose designation is to be increased. Promptly after  
14 providing such notice, the upward Designating Party shall provide re-labeled copies of the  
15 material to each Receiving Party reflecting the change in designation. The Receiving Party  
16 will replace the incorrectly designated material with the newly designated materials and will  
17 destroy the incorrectly designated materials. Any Party may object to the increased  
18 designation of Disclosure or Discovery Materials pursuant to the procedures set forth in  
19 paragraph 6 regarding challenging designations. The upward Designating Party shall bear the  
20 burden of establishing the basis for the increased designation.

21                   **6.     CHALLENGING CONFIDENTIALITY DESIGNATIONS.**

22                   6.1     Timing of Challenges. A Party does not waive its right to challenge a  
23 confidentiality designation by electing not to mount a challenge promptly after the original  
24 designation is disclosed.

25                   6.2     Meet and Confer. A Party that elects to initiate a challenge to a  
26 Designating Party's confidentiality designation must do so in good faith and must begin the  
27 process by notifying the Designating Party in writing, by telephone or in person of its challenge  
28 and identify the challenged material, then conferring directly in voice to voice dialogue (other

forms of communication are not sufficient) with counsel for the Designating Party. The Parties must then meet and confer in good faith. Each Party must explain the basis for its respective position about the propriety of the challenged confidentiality designations. The parties shall have fourteen (14) days from the initial notification of a challenge to complete this meet and confer process.

**6.3 Judicial Intervention.** In any judicial proceeding challenging a confidentiality designation, the burden of persuasion with respect to the propriety of the confidentiality designation shall remain upon the Designating Party. If the parties are not able to resolve a dispute about a confidentiality designation within the time provided in paragraph 6.2, above, the parties shall, within fourteen (14) days thereafter, prepare and present to the Special Master a joint letter brief that identifies the challenged material and sets forth the respective positions of the parties about the propriety of the challenged confidentiality designations. Until the ruling on the dispute becomes final pursuant to the provisions of Pre-Trial Order No. 4, all parties shall continue to afford the material in question the level of protection to which it is entitled under the Designating Party's designation.

In the event that the final ruling is that the challenged material is not confidential or that its designation should be changed, the Designating Party shall reproduce copies of all materials with their designations removed or changed in accordance with the ruling within thirty (30) days at the expense of the Designating Party.

## **7. ACCESS TO AND USE OF PROTECTED MATERIAL.**

**7.1 Basic Principles.** A Receiving Party may use Protected Material that is disclosed or produced by a Producing Party only in connection with this action for prosecuting, defending, or attempting to settle this action. Such Protected Material may be disclosed only to the categories of persons and under the conditions described in this Order. When the litigation has been terminated, a Receiving Party must comply with the provisions of section 11, below (FINAL DISPOSITION).

Protected Material must be stored and maintained by a Receiving Party at a location and in a secure manner that ensures that access is limited to the persons authorized

under this Order. For purposes of this Order, a secure website, or other internet-based document depository with adequate security, shall be deemed a secure location.

7.2 Disclosure of "CONFIDENTIAL" Information or Items. Unless otherwise ordered by the Court or permitted in writing by the Designating Party, a Receiving Party may disclose any information or item designated "CONFIDENTIAL" only to:

(a) the Receiving Party's Outside Counsel of record in this action, as well as employees of said counsel to whom it is reasonably necessary to disclose the information for this litigation;

(b) current or former officers, directors, and employees of Parties to whom disclosure is reasonably necessary for this litigation and who have signed the "Agreement To Be Bound by Protective Order" (Exhibit A);

(c) Experts and/or Consultants with respect to each of whom (1) disclosure is reasonably necessary for this litigation, and (2) an "Agreement To Be Bound by Protective Order" (Exhibit A) has been signed;

(d) the Court and its personnel;

(e) stenographers, their staffs, and professional vendors to whom disclosure is reasonably necessary for this litigation and who have signed the "Agreement To Be Bound by Protective Order" (Exhibit A);

(f) the author, addressees, or recipients of the document, or any other natural person who would have likely reviewed such document during his or her employment as a result of the substantive nature of his or her employment position, or who is specifically identified in the document, or whose conduct is purported to be specifically identified in the document;

(g) witnesses in the action to whom disclosure is reasonably necessary for this litigation and who have signed the "Agreement To Be Bound by Protective Order" (Exhibit A); provided that, Confidential Information may be disclosed to a witness during their deposition, but only if they have executed the "Agreement to Be Bound by Protective Order" (Exhibit A), which shall be made an exhibit to the deposition

1 transcript, or have agreed on the record to keep the information confidential and not to  
2 use it for any purpose, or have been ordered to do so; and provided further that, pages  
3 of transcribed deposition testimony or exhibits to depositions that reveal Confidential  
4 Information must be marked "Confidential" and separately bound by the court reporter  
5 and not included in the main deposition transcript and exhibit binder, and may not be  
6 disclosed to anyone except as permitted under this Stipulated Protective Order; and

7 (h) any other person to whom the Designating Party agrees in writing or on  
8 the record, and any other person to whom the Court compels access to the Confidential  
9 Information.

10 7.3 Disclosure of "HIGHLY CONFIDENTIAL" Information or Items.

11 Unless otherwise ordered by the Court or permitted in writing by the Designating Party, a  
12 Receiving Party may disclose any information or item designated "HIGHLY  
13 CONFIDENTIAL" only to:

14 (a) the Receiving Party's Outside Counsel of record in this action, as well as  
15 employees of said counsel to whom it is reasonably necessary to disclose the  
16 information for this litigation;

17 (b) Experts and/or Consultants with respect to each of whom (1) disclosure  
18 is reasonably necessary for this litigation, and (2) an "Agreement To Be Bound by  
19 Protective Order" (Exhibit A) has been signed;

20 (c) the Court and its personnel;

21 (d) stenographers, their staffs, and professional vendors to whom disclosure  
22 is reasonably necessary for this litigation and who have signed the "Agreement to Be  
23 Bound by Protective Order" (Exhibit A);

24 (e) the author, addressees or recipients of the document, or any other  
25 natural person who would have likely reviewed such document during his or her  
26 employment as a result of the substantive nature of his or her employment position, or  
27 who is specifically identified in the document, or whose conduct is purported to be  
28 specifically identified in the document;

1 (f) deposition witnesses but only during their depositions and only if they  
2 have executed the "Agreement to Be Bound by Protective Order" (Exhibit A), which  
3 shall be made an exhibit to the deposition transcript, or have agreed on the record to  
4 keep the information confidential and not to use it for any purpose, or have been  
5 ordered to do so; and in addition, if the witness is an employee of a Party or is a former  
6 employee of a Party, then In House Legal Personnel of the Party in attendance at the  
7 deposition of such a witness, may also be present during that portion of the deposition  
8 but only if the In House Legal Personnel has signed the "Agreement to Be Bound by  
9 Protective Order" (Exhibit A); provided that, pages of transcribed deposition testimony  
10 or exhibits to depositions that reveal Highly Confidential Information must be marked  
11 "Highly Confidential" and separately bound by the court reporter and not included in  
12 the main deposition transcript and exhibit binder, and may not be disclosed to anyone  
13 except as permitted under this Stipulated Protective Order; and provided, further that,  
14 the parties will meet and confer if the Designating Party believes a particular document  
15 requires different treatment for use at deposition; and

16 (g) any other person to whom the Designating Party agrees in writing or on  
17 the record, and any other person to whom the Court compels access to the Highly  
18 Confidential Information.

19 7.4 Retention of Exhibit A. Outside Counsel for the Party that obtains the  
20 signed "Agreements To Be Bound by Protective Order" (Exhibit A), as required above, shall  
21 retain them for one year following the final termination of this action, including any appeals,  
22 and shall make them available to other Parties upon good cause shown.

23 7.5 Retention of Protected Material. Persons who have been shown  
24 Protected Material pursuant to Section 7.2(b), (f), or (g), or Section 7.3(e) or (f) shall not  
25 retain copies of such Protected Material.

**8. PROTECTED MATERIAL SUBPOENAED OR ORDERED  
PRODUCED IN OTHER LITIGATION.**

If a Receiving Party is served with a discovery request, subpoena or an order issued in other litigation that would compel disclosure of any information or items designated in this action as "CONFIDENTIAL" or "HIGHLY CONFIDENTIAL," the Receiving Party must so notify the Designating Party, in writing (by fax or electronic mail, if possible), along with a copy of the discovery request, subpoena or order, as soon as reasonably practicable.

The Receiving Party also must immediately inform the party who caused the discovery request, subpoena or order to issue in the other litigation that some or all the material covered by the subpoena or order is the subject of this Protective Order. In addition, the Receiving Party must deliver a copy of this Stipulated Protective Order promptly to the party in the other action that caused the discovery request, subpoena or order to issue.

The purpose of imposing these duties is to alert the interested parties to the existence of this Stipulated Protective Order and to afford the Designating Party in this case an opportunity to try to protect its confidentiality interest in the court from which the discovery request, subpoena or order is issued. The Designating Party shall bear the burdens and the expenses of seeking protection in that court of its confidential or highly confidential material. Nothing in these provisions should be construed as authorizing or encouraging a Receiving Party in this action to disobey a lawful directive from another court.

**9. UNAUTHORIZED DISCLOSURE OF PROTECTED  
MATERIAL.**

If a Receiving Party learns that, by inadvertence or otherwise, it has disclosed Protected Material to any person or in any circumstance not authorized under this Stipulated Protective Order, the Receiving Party must immediately (a) notify in writing the Designating Party of the unauthorized disclosures, (b) use its best efforts to retrieve all copies of the Protected Material, (c) inform the person or persons to whom unauthorized disclosures were made of all the terms of this Order, and (d) request such person or persons to execute the "Acknowledgment and Agreement To Be Bound" that is attached hereto as Exhibit A.

1                   **10. FILING PROTECTED MATERIAL.**

2                   Without written permission from the Designating Party or a court order secured  
3 after appropriate notice to all interested persons, a Party may not file in the public record in this  
4 action any Protected Material. A Party that seeks to file under seal any Protected Material  
5 must comply with Civil Local Rule 79-5.

6                   **11. FINAL DISPOSITION.**

7                   Unless otherwise ordered or agreed in writing by the Producing Party, within  
8 thirty days after the final termination of this action, including any appeals, each Receiving  
9 Party must return all Protected Material to the Producing Party. As used in this subdivision,  
10 "Protected Material" includes all copies, abstracts, compilations, summaries or any other form  
11 of reproducing or capturing any of the Protected Material. The Receiving Party may destroy  
12 some or all of the Protected Material instead of returning it. Whether the Protected Material  
13 is returned or destroyed, the Receiving Party must submit a written certification to the  
14 Producing Party (and, if not the same person or entity, to the Designating Party) by the thirty  
15 day deadline that identifies (by category, where appropriate) all the Protected Material that was  
16 returned or destroyed and that affirms that the Receiving Party has not retained any copies,  
17 abstracts, compilations, summaries or other forms of reproducing or capturing any of the  
18 Protected Material. Notwithstanding this provision, counsel are entitled to retain an archival  
19 copy of all pleadings, motion papers, transcripts, legal memoranda, correspondence or  
20 attorney work product, even if such materials contain Protected Material. Any such archival  
21 copies that contain or constitute Protected Material remain subject to this Protective Order as  
22 set forth in Section 4 (DURATION), above.

23                   **12. INADVERTENTLY PRODUCED DOCUMENTS.**

24                   If a Party at any time notifies any other Party that it inadvertently produced  
25 documents, testimony, information, and/or things that are protected from disclosure under the  
26 attorney-client privilege, work product doctrine, and/or any other applicable privilege or  
27 immunity from disclosure, or the Receiving Party discovers such inadvertent production, the  
28 inadvertent production shall not be deemed a waiver of the applicable privilege or protection.

1 The Receiving Party shall immediately return all copies of such documents, testimony,  
2 information and/or things to the inadvertently producing Party and shall not use such items for  
3 any purpose until further order of the Court. In all events, such return must occur within three  
4 (3) business days of receipt of notice or discovery of the inadvertent production. The return of  
5 any discovery item to the inadvertently producing Party shall not in any way preclude the  
6 Receiving Party from moving the Court for a ruling that the document or thing was never  
7 privileged.

8 **13. ATTORNEY RENDERING ADVICE**

9 Nothing in this Protective Order will bar or otherwise restrict an attorney from  
10 rendering advice to his or her client with respect to this matter or from relying upon or  
11 generally referring to "CONFIDENTIAL" or "HIGHLY CONFIDENTIAL" Disclosure or  
12 Discovery Material in rendering such advice; provided however, that in rendering such advice  
13 or in otherwise communicating with his or her client, the attorney shall not reveal or disclose  
14 the specific content thereof if such disclosure is not otherwise permitted under this Protective  
15 Order.

16 **14. DISPOSITIVE MOTION HEARINGS AND TRIAL**

17 The terms of this Protective Order shall govern in all circumstances except for  
18 presentations of evidence and argument at hearings on dispositive motions and at trial. The  
19 parties shall meet and confer in advance of such proceedings and seek the guidance of the Court  
20 as to appropriate procedures to govern such proceedings.

21 **15. MISCELLANEOUS.**

22 **15.1 Right to Further Relief.** Nothing in this Order abridges the right of any  
23 person to seek its modification by the Court in the future.

24 **15.2 Right to Assert Other Objections.** By stipulating to the entry of this  
25 Protective Order no Party waives any right it otherwise would have to object to disclosing or  
26 producing any information or item on any ground not addressed in this Stipulated Protective  
27 Order. Similarly, no Party waives any right to object on any ground to use in evidence of any  
28 of the material covered by this Protective Order.
